

Please support media diversity

I am writing to you to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules, and I'll make this short and sweet:

Please side with the public on this one. As it is there is not enough diversity in the media. As it is, the media is afraid, or unwilling to ask the tough questions that the public deserves to know the answers to. Don't side with the corporations and make it any worse than it is.

Thank you,
Ryan Broner
